

In compliance with Legislative Decree 116/2020, all packaging must include, for each manually separable component, the coding of the composition materials so that users are aware of the nature of the packaging and can facilitate collection, reuse, recovery, and recycling. This information must be accompanied by a specific alphanumeric code pursuant to Decision 129/97/EC.

Our products such as chipboard bars faced with edged or postformed laminate and chipboard bars are presented with a type of packaging:

Description	Material	Abbreviation	Numbering
Plastic strapping	Polyethylene terephthalate	PET	1
Protective film	Low density polyethylene	PE-LD	4
Extensible			
Plastic corner			
Chipboard stud	Wood	FOR	50
Wooden pallet			
Particleboard protective			
Fixing nails	Iron	FE	40
Adhesive tape	Polypropylene	PP	5
Thermal label	Non-corrugated cardboard	PAP	21
Cardboard corners			
Packaging cardboard	Corrugated cardboard	PAP	20

Ricci Egidio & C. srl declares below the specifications relating to its transport packaging in relation to materials supplied without in-house processing.

LAMINATED SHEETS

Description	Material	Abbreviation	Numbering
Plastic strapping	Polyethylene terephthalate	PET	1
Honeycomb polypropylene sheet	Plastic	PP	5
Protective film	Low density polyethylene	PE-LD	4
Protective plastic corner			
Cardboard boxes	Corrugated cardboard	PAP	20
Paper caps			
Cardboard tubes	Non-corrugated cardboard	PAP	21
Protective paper corner			
Polystyrene caps	Polystyrene	PS	6
Platform	Wood	FOR	50
Masonite			

EDGE COILS

Description	Material	Abbreviation	Numbering
Cardboard box	Corrugated cardboard	PAP	20
Adhesive tape	Polypropylene	PP	5
Thermal label			
Pallet	Wood	FOR	50
Martyr's Tablet			
Cardboard soul	Non-corrugated cardboard	PAP	21
Plastic strapping	Polyethylene terephthalate	PET	1
Extensible	Low density polyethylene	PE-LD	4

RAW CHIPBOARD PANELS

Description	Material	Abbreviation	Numbering
Plastic strapping	Polyethylene terephthalate	PET	1
Iron palace	Steel	FE	40
Chipboard stud	Wood	FOR	50
Cardboard corners	Non-corrugated cardboard	PAP	21
Plastic corner	Low density polyethylene	PE-LD	4
Extensible			
Thermal label	Polypropylene	PP	5
